PHOENIX DEER VALLEY AIRPORT

July 13, 2007

**TO: ALL PHOENIX DEER VALLEY AIRPORT TENANTS**

**RE: VEHICLE PARKING POLICY CHANGE**

Effective August 1, 2007, the following will be enforced per City Codes PCC 36-144, 36-1347, 36-7, 4-51 and 4-54:

- **Long term parking of (more than three (3) days) vehicles/trailers must obtain an annual parking permit approved by airport staff.**
- **Vehicles/trailers that have not been actively used in a six (6) month period will be considered as stored and permit will be revoked.**
- **Motor homes, boats, recreational vehicles and trailers for other than aircraft transport will not be permitted for long term parking in all Deer Valley Airport parking lots.**
- **Vehicles parked on City property cannot be unregistered or inoperable.**

As a reminder, if you plan on parking a vehicle/trailer in the parking lot for more than three (3) days, please see Airport Administration during business hours to obtain a parking permit.

Please call 623 869-0975 for any questions regarding long term vehicle/trailer parking after August 1, 2007. Thank you for your cooperation.
